Advantages over a Local Garage

1 SERVICE

- **Booking & scheduling:** Book a slot and job in advance. No guessing on waiting time.
- **Transparent quotation:** Written QT before work starts, parts and labour itemised. No surprise charges.
- **Job tracking:** Every job has a WIP number, traceable from check-in to handover.
- **Fleet support:** Dedicated account handling: credit terms, reporting and priority scheduling.
- **Quality parts:** Controlled supply with stock and pricing records.
- **Customer follow-up:** Updates by LINE and WhatsApp.

2 TECHNICIAN TRAINING

- **Structured development:** A defined skills path, not learning on the job.
- **Current systems knowledge:** Modern vehicle systems, diagnostic tools and correct procedures.
- **Measured productivity:** Technician hours and output tracked so coaching targets real gaps.
- **Safety:** Workshop safety and correct tool use protect your vehicle and our people.

3 STANDARD

- **Fixed processes (SOPs):** Same check-in, inspection, repair and quality check on every vehicle.
- **Quality check before handover:** Work is verified before the car returns to you.
- **Proper tools & equipment:** The correct equipment for each job, not improvised fixes.
- **Records & accountability:** Service history, invoices and approvals documented.
- **Professional presentation:** Clean workshop, uniformed staff, stamped and signed quotations.
